

SUNDAY WORSHIP SERVICE CHANGES!

The Ad Council has been discussing combining the 8:00AM and 10:30AM services due to the noticeable decrease in attendance at the 10:30AM service. This information was in the bulletin for several weeks asking for your thoughts. The majority of the feedback received was to move forward with the change. At the Administrative Council meeting on Thursday, January 16, 2025, it was approved to change the Mill-Green service times as follows:

8:30AM-Greenwood Building traditional service

(First Sunday of the month coffee hour-7:30AM)

8:30AM-Millville Sunday school

9:45AM-Millville Building blended service

The new times will begin on Sunday, March 16, 2025, with the 9:45AM service being a blend of both contemporary and traditional music. Your flexibility and understanding is appreciated as you realize that there is no perfect solution that meets everyone's needs. If you have questions or concerns, please direct them to Lance Diehl, (SPRC chair), or Bill Berger, (Administrative Council Chair). We will consider making any adjustments as necessary going forward.

Please pray for patience and understanding for our church family as we begin these new service times on **March 16th!**
